

NMLEA NIGHT PISTOL QUALIFICATION

ADMINISTRATIVE GUIDE

25 ROUNDS: (Each round is worth 4 points)

100%-25 hits 92%-23 hits 80%-20 hits 72%-18 hits

Minimum Qualifying Score: 70%

- Stage 1** This stage is shot utilizing only whatever ambient light is present. No flashlight is used for this stage.
- First String: This string is shot from the holster and when done the shooter will stay at the low ready for the next string.
- Second String: This string is shot from the low ready position.
- Third String : When the shooter prepares the pistol for the Third String, they must draw the pistol to the low ready and perform a Tac Load with a magazine loaded with only 1 round, then holster when done. With (one round in the chamber-one round in the magazine) when the 2 rounds are fired, the pistol will or should lock back. The shooter will perform a speed load on the empty pistol and then fire 2 more rounds.
- Stage 2 This stage is shot WITH a handheld flashlight.
- First String: The shooter with flashlight in hand pistol holstered will draw pistol. When done, the shooter will stay at the ready, to shoot the Second String.
- Second String: The shooter starts with both the flashlight and the pistol at the low ready. When done the shooter will holster.
- Third String: Shooter will perform a Tac Load with a magazine loaded with only 1 round, then holster when done. With (one round in the chamber-one round in the magazine) when the 2 rounds are fired, the pistol will or should lock back. The shooter will perform a speed load on the empty pistol and then fire 2 more rounds.
- Stage 3 This stage is shot with Headlights and Overheads. No flashlight is used.
- First String: This string is shot from the holster, no flashlight.
- Second String: The shooter will draw to their choice of kneeling and then fire two rounds to the body. They will recover to standing before re-holstering.
- Third String: When the shooter prepares the pistol for the Third String, they must draw the pistol to the low ready and perform a Tac Load with a magazine loaded with only 1 round, then holster when done. With (one round in the chamber-one round in the magazine) when the 2 rounds are

fired, the pistol will or should lock back. The shooter will perform a speed load on the empty pistol and then fire 2 more rounds.

**** NOTE** Head shots will only be counted in the credit card. Anything outside of the credit card will not be counted.
